Application Checklist

Application materials are submitted online, at this url:
https://app.applyyourself.com/AYApplicantLogin/ApplicantConnectLogin.asp?id=UMN-GRAD

Your electronic application for admission includes the following:

- Application
- Personal Statement (1-2 pages specifying the area of human factors you would like to study)
- Letters of Recommendation written by three individuals who can judge your academic performance and promise as a graduate student
- Transcripts
- Application fee

In addition to the aforementioned, the following are required:

- GRE – Graduate Record Examination scores, are to be sent by ETS to the University of Minnesota Graduate School. Code: 6874. Test must be taken with sufficient time to ensure scores are posted by the January 15th deadline. Scores older than 5 years are not accepted.
- For non-native speakers of English, TOEFL -- Test of English as a Foreign Language scores, are to be sent by ETS to the University of Minnesota Graduate School, code 6874. The preferred score is a total of 96. Scores older than 2 years are not accepted.
- Applicants are encouraged to identify faculty whose research interests align with their own and to provide this information in the goal statement.

Application Deadline: January 15 for admission for Fall

Allow sufficient time for processing your application. Review occurs once each year, directly following the January 15th deadline. The program’s review process takes from four to six weeks. Incomplete applications will not be reviewed. Please note that the Human Factors and Ergonomics Graduate Program deadline precedes Graduate School deadlines.
